NARRATIVE:

Leonard Acosta is a registered sex offender and has an extensive adult criminal history that began at the age of 37. His convictions include carrying a concealed firearm, carrying a loaded firearm in a public place, lewd or lascivious acts upon a child under 14, failure to register as a sex offender and possession of narcotic controlled substances. He has served multiple incarcerations, the longest being a 6 year term for lewd or lascivious acts upon a child under 14. Acosta was released from state prison to the supervision of the Los Angeles County Probation Department on September 16, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2016 after he absconded from post release community supervision (PRCS). Acosta qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for possession of narcotic controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history, sex offender status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
